Our solution

Linea

Included within your HR Partnership Programme, you will receive 24/7 access to Adare HRM's Linea platform. Linea is the most comprehensive, up to date online resource available for HR practitioners and those tasked with responsibility for HR and People Management.

Linea provides comprehensive guidance on all aspects of Employment Law, including legislation, Codes of Practice, employment-related cases and FAQs.

It contains an extensive list of HR best practice toolkits, templates, employment and organisational policies, forms, letters and checklists – everything you will ever need.

Linea is easy to use with instant access to all the information you need to stay up to date with the latest in employment legislation and case law developed by our Legal, HR and IR subject matter experts.

The search functionality helps quickly navigate the information so you get what you need quickly, saving time and effort.

Our expert-led team continuously update information and insights on developments in employment legislation, case law, HR and Health & Safety trends.

Linea is also home to our informative webinars, podcasts, HR Barometer Benchmarking Survey, calendar of key HR events, Employment Law Alerts and our HR Newsletters.
